

Dear friends!

We invite you over on a journey through the Verkhnedvinsk land.

Verkhnedvinschina is a unique land with its ancient and rich history unique culture and untouched nature.

There are few places on earth where history is so closely intertwined with modernity, and where proximity to the border, a developed economy, and attractive nature and environment provide opportunities to establish business contacts with foreign partners.

We are open to different cultures and people, welcome new contacts, and are pleased to offer our guests the products and services of the district!

Those who have visited the Verkhnedvinsk land will forever retain good memories of the hospitality, generosity, and industriousness of its inhabitants, the wide expanse of its green nature: the mighty forests and cheerful coppices, brisk rivers and peaceful lakes, and multicolored meadows!

We hope that getting familiar with the Verkhnedvinsk district, its industrial, cultural and natural potential will contribute to the establishment of multilateral economic and cultural ties with new partners.

Welcome to Verkhnedvinschina!

We are always pleased to receive guests!
